

Lesson Guide

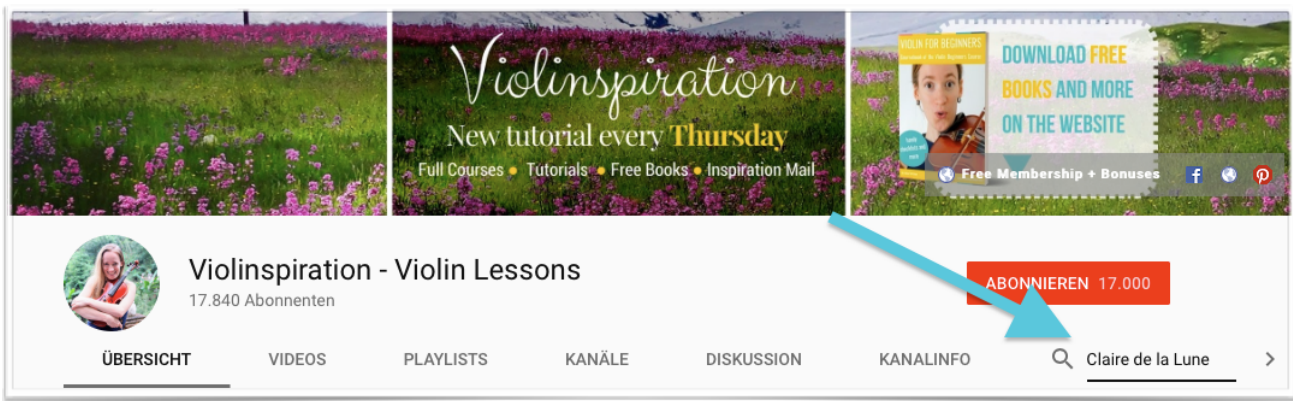

All free lessons of Violinspiration sorted by level & style

Hi violin friend!

To make learning the violin a little bit easier for you, I created this guide to help you find the next song you want to learn.

You can find all lessons described here on my YouTube channel Violinspiration, that you can access by clicking the following link:

>> <https://www.youtube.com/c/violinspiration>

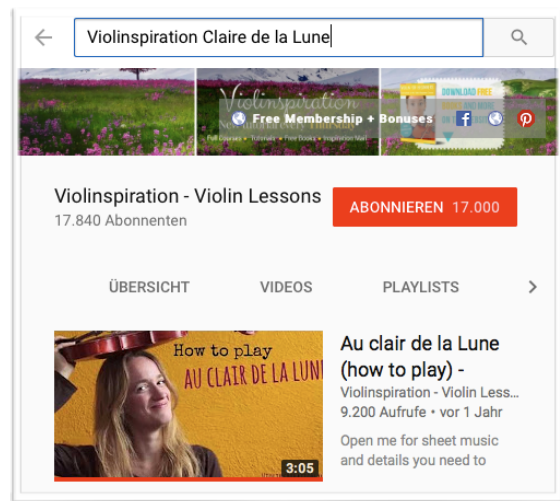

There, search for the lesson you are looking for on the little search box on my channel (as shown in the picture above)

If you can't find the channel search box, search in the main search bar in youtube. Type in Violinspiration + the name of the lesson you would like to watch of the list.

Enjoy practicing & playing!
